

Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Friday 13 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:

A mostly dry day with cloud and odd showers developing.

Today:

A largely dry and bright start, but cloud will thicken through the day, allowing a few scattered showers to develop. Some sunny spells in between the gaps of cloud, feeling warm and dry for most. Gusty winds at times. Maximum temperature 22 deg C (72 deg F).

Tonight:

A mostly dry evening starts with plenty of clear skies. Turning cloudy in early hours with a risk of rain. Winds easing overnight. Minimum temperature 11 deg C (52 deg F).

Saturday:

A mostly dry and bright start with some sunny spells and the odd light shower. Turning cloudier into the afternoon with a little light rain or drizzle possible later. Maximum temperature 22 deg C (72 deg F).

Outlook for Sunday to Tuesday:

Remaining cloudy through to next week. A wet start on Sunday morning, but clearing soon to give some dry and bright spells. Stronger winds on Monday and Tuesday.
